

Teachers Demonstrate Homecoming Tradition

With the advent of football season comes a great deal of tradition. One of them is Homecoming and Homecoming itself is full of tradition.

Observing the custom, teachers and students decorated their third period doors in an effort to prepare for this event. Awards were presented based on originality, neatness and overall effect. A second activity held the week of the Dulles game was a pep rally presented during first period. Teachers joined the assembly to help raise the morale of the football team.

After the game, a reception was held for returning seniors. It requires much time from the participating faculty members. Several teachers attended the function to get reacquainted with exes, while also helping to make the reception a success. A total of 70 people signed the guest book in the south campus cafeteria after the game. Mr. Bobby Grisham, assistant principal, was in charge of the planning for the reunion. Refreshments were furnished by the Homemaking Department and cafeteria staff. Cafeteria ladies also helped serve cookies and punch, while counselors acted as hosts and hostesses. Beginning after the game, the reception lasted until 11:30.
